ABOUT ME

I am a Lebanese living in Bahrain, married to a Bahraini lady, and blessed with two baby girls. I was born on the 10th of December 1977 in a small village in the mountains of North Lebanon. I received my primary, intermediate, and High School education in two different private Missionary Schools operating in Lebanon, the first was Italian and the second was French. My education, career, and experience extend to many majors, positions, and locations... All references are available upon request.
